25 February 1955

MEMORANDUM FOR: Deputy Director, Plans
Deputy Director, Support

SUBJECT: DTPILLAR

REFERENCE: a) DGI Approval (10 August 1954) of FRC Recommendation
(21 July 1954) of Budget of [] for DTPILLAR
in FY-1955
b) Approval (24 September 1954) by DD/P, with concurrence
of DD/A, of transfer of [] from DTPILLAR Con-
tingency Fund to []

1. It is requested that [] of the contingency fund of DTPILLAR
be released for use, as described below, by DTPILLAR.

2. Reference a) established DTPILLAR's FY-1955 budget at \$4,328,260
(including [] for []). Reference a) also required that the
contingency fund of [] in the approved budget not be expended with-
out prior approval of DD/P in consultation with DD/A. Reference b)
reduced the total DTPILLAR contingency fund from [] to [].

3. The [] for which release is requested is for the following
purposes:

Programs in Ceylon
Harvard International Seminar
Office and land, Taiwan

[]
[]
[]

Details concerning these uses are as follows:

A. Programs in Ceylon

DTPILLAR programs in Ceylon have proved effective, and in
spite of stiff Communist opposition to the very presence of DTPILLAR in
Ceylon, we have been able to move ahead more rapidly than we anticipated.
In the first six months of FY-1955, total expenditures for programs in
Ceylon were [] which is [] more than had been budgeted for
Ceylon programs for the entire fiscal year. The largest expenditures
have been for the South Ceylon Youth Council and for a project for publish-
ing needed textbooks. Other activities include:

Conferences
Community Centers
Seeds for Democracy
World Fellowship of Buddhists
Young Farmers' Clubs
Rural Training Center
All-Asian Conference of Women
Boy Scouts

Last month evidence was received that the Communist Party of Ceylon is mounting a direct and well-financed attack against TAF's South Ceylon Youth Council.

B. Harvard International Seminar

This Seminar, which received Agency support last year, brings about 25 Asians to Harvard for a special summer course. Generally, the students are persons 30-40 years of age who are active in politics, education or journalism. The Asian graduates of the courses given during the past few years have now formed an alumni organization, and plan to hold an annual meeting and publish a magazine. Finally, the Seminar is responsible for Confessions, a monthly publication for "intellectuals". It is desirable to expand the circulation of this publication in Asia. TAF's assistance will be divided among the Seminar, the Asian alumni group and Confessions.

C. Office and Land, Taiwan

TAF has been paying [] a year for rental of office space in Taiwan. Costs of purchasing its own office building, as proposed in this request, will be amortized (on the basis of the yearly rental which TAF has been paying) in about nine years.

h. In the first seven months of FY-1955, DTFILLAR expended slightly more than seven-twelfths of its "free" total budget of []. Therefore, it is not practical for DTFILLAR to finance the above programs by making adjustments within its "free" budget.
